Zanesville, Ohio 43701

Dear John & Friends at Shriver's,

Shriver's Pharmacy is out of this world! Thanks to you Bowl For Kids' Sake was a prosperous fund-raising and friend-raising campaign reaching a net profit of \$76,056.00! Your generous Corporate Sponsorship combined with the amazing fundraising efforts of your employee teams, raised a total of \$8,505.00.....Congratulations!

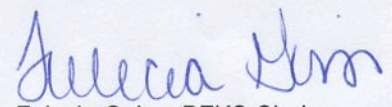

Bowl For Kids' Sake is more than just a bowling party — it's how Big Brothers Big Sisters raises the money that we need to recruit and screen volunteers, create life-changing match relationships between Bigs and Littles, and provide ongoing support to children, families, and mentors.

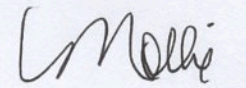

Your support means that you embrace our vision to see that all children achieve success in life. You recognize the value for children to have those special "BIG" friends in their lives — to bring them hope, laughter, friendship and guidance — to build self-confidence, achieve educational success and avoid risky behaviors.

We truly appreciate your ongoing partnership with our Agency and commitment to our kids! By working together, we make a positive, lasting impact on children, families, schools and neighborhoods.

Thanks for being a force to help us help kids!

Sincerely,

Felecia Goins, BFKS Chairperson
The Community Bank

Mollie S. Crooks
Executive Director

THANKS A
MILLION !!
